

PLAYER TRANSFER REQUEST FORM

In Accordance with Wisconsin Adult Soccer Association (WASA) all players wishing to transfer from one club team to another must submit notice using this form to the state association, a transfer request. This form must be completed for all transfer requests from one club team to another.

The transferring player and current team manager releasing the player must fill out this form:

First Name: _____ Last Name: _____

Team player is currently registered to: _____

First Major U23 Other _____

Team player is transferring to: _____

First Major U23 Other _____

Will your team be able to play it's normal scheduled games during the season if the transfer occurs? Yes No

Have you fulfilled all financial obligations to your current team/club?
 Yes No

Player Signature: _____ Date: _____

Manager Signature: _____ Date: _____

Once a player signs a registration form that player is bound to that team/club for the duration of the registration year; Which runs August 1 through July 31. If at any time during the registration year, a competitive player desires to transfer to another club's team, that player must submit this form explaining the request for transfer. The administrator will make the transfer once the new team pays the transferring fees.
